

MEETING MONDAY

at Traktørstedet

TRAKTØR
STEDET

ANNO 2016

do you need a
unique place for
a meeting or
workshop with
your company?

At Traktørstedet Vestamager on Mondays

- where we are normally closed - you can use all of the restaurant from 9-17 to host a meeting, workshop or conference, or other business related event, with your company.

We are experienced in hosting events for larger groups and companies, and can accommodate you and serve you delicious meals and snacks all day - both breakfast, lunch, snacks, and afternoon coffee and cake for you.

We will recommend using our unique facilities and surrounding nature, as an ideal space for walk and talks, and the more informal kind of meetings. The space is not well suited for gathering in front of large screens, as the place is made of windows all around it. It is a perfect place for group workshops, where you can use the nature and the nearby fireplaces as part of your experience and meeting facility. Inside we have many tables where groups can work, in calm and comfortable surroundings and with homemade, organic food as part of the meeting. .

The price of using the whole restaurant space a whole Monday, from 9-17h at Traktørstedet is 10.000 dkk. In addition you will order the meeting catering that you wish us to prepare for you on the day and the drinks you would like to have available. The menu, info and options is available at our website www.traktørstedetvestamager.dk.

It is also possible to host a meeting other days in the week, though you will then have to share the restaurant with other customers, as it will be during opening hours. We can put up a light wall between you and other guests. We invite you to plan how you can use the nature as part of your meeting, on these normal weekdays.

Please write us an email with your request, at traktoerstedetvestamager@gmail.com
